

Ash Wednesday Collection

A collection for the restoration
of church buildings on our mission
sites.

**We believe in creating safe
and welcoming
environments across the
diocese, where the people of
God can gather to pray,
learn, receive the sacraments
and grow as a faith
community.**

In 2017,
our Ash Wednesday
collection permitted us to
make repairs and
renovations to the rectory
in Jossard, AB.

In 2018,
the collection will be a new
opportunity for you to be
part of helping another
mission move forward with
their needed repairs.
