

Ash Wednesday Collection

A collection for the
restoration of church
buildings on our mission sites.

We believe in creating safe
and welcoming environments
across the diocese, where the
people of God can gather to
pray, learn, receive the
sacraments and grow as a
faith community.

**In 2018, our Ash
Wednesday
collection enabled
us to complete
repairs and
renovaions to the
rectory in
Joussard, AB.**

**In 2019, the
collection will be a
new opportuniy
for you to be part
of helping another
mission move
forward with their
needed repairs.**
